

Re: Motorhomes - Peugeot Boxer base vehicle compliance checks

Dear Colleague,

This bulletin is to make you aware that during the month of March you will be contacted by Osbourne Purdie acting on behalf of Peugeot.

Osbourne Purdie plan to visit every motorhome retailer to complete a compliance check to ensure vehicle brake pipes are to specification.

Should the visiting Osbourne Purdie teams identify any concerns with an individual vehicle it will be referred to your local Peugeot dealer.

All vehicles inspected by Osbourne Purdie will be noted and confirmed to the individual motorhome retailer by the visiting team.

For any vehicles sold to customers before Osbourne Purdie team visits, Peugeot will arrange for these vehicles to be checked at a later date to avoid any delays with their handovers.

I would like to take this opportunity to apologise for any inconvenience that this matter may cause you and your customers, but we thank you in advance for your support and assistance.

Best regards
