### Re: Peugeot Customer Care

Dear Colleague,

Any Peugeot Related Issues must be raised directly to the Peugeot Customer Care team in the first instance.

Using the link below, complete the customer care portal form to where you will receive a customer care reference number.

<https://peugeot-uk-en.custhelp.com/app/ask>

Upon receipt of the reference number, forward it to the following

Email: [Customerservices@BaileyofBristol.co.uk](mailto:Customerservices@BaileyofBristol.co.uk)

Once received we can then request a Priority review with Peugeot and keep a track of any ongoing concerns.

Best regards

Dave Evans  
Head of Customer Services
